EXPERIENCE

AUSTIN COMMERCIAL

Assistant Superintendent II | 7/2023 - Current

Assist Sr. Superintendents with day-to-day field construction activities. Review record documents and schematics of each scope to ensure proper construction, material usage, and project completion. Direct field operatives to accomplish construction tasks. Oversee site safety, employee safety orientation, and weekly site safety meetings. Projects include: Texas Health Presbyterian Dallas Garage 1 Replacement, Radiology Rooms 7 & 8, Perot E-Substation Replacement, Perot NICU Cosmetic Upgrades, Perot Labor & Delivery Renovation.

BOWKER MECHANICAL HVAC LLC

Lead HVAC Installer | 7/2019 - 7/2023

Led and supervised projects to ensure the desired outcome is reached by designing, installing, and replacing HVAC systems for residential and commercial customers. Interpreted drawings and blueprints to install, troubleshoot, repair, test, and operate complete HVAC systems. Worked alongside and collaborated with construction crews throughout installation projects.

WESTERN HEATING AND AIR CONDITIONING

HVAC Apprentice | 5/2018 - 7/2019

Assisted in designing, installing, and replacing HVAC systems with oversight from a Journeyman. Maintained a high level of autonomy and independence. Repaired and replaced electrical components in HVAC equipment, along with preserving, installing, and recycling HCFC and CFC refrigerants.

BOISE STATE UNIVERSITY

Lead Custodian | 8/2014 - 5/2018

Managed maintenance across thirteen Boise State University housing facilities. Maintained a safe working environment by preventing accidents with the use of proper equipment. Successfully managed and trained over 50 janitors.

STATE OF IDAHO - US SENATOR MIKE CRAPO

Political Intern | 1/2017 - 6/2017

Completed meeting summaries for US Senator Mike Crapo and briefed senior staff on meetings. Fielded and logged constituents' comments and concerns via phone and mail. Provided constituents with assistance for applicable casework files.

BOWKER MECHANICAL HVAC LLC

HVAC Summer Apprentice | 5/2011 - 8/2017

Installed, replaced, and maintained HVAC systems residentially and commercially. Maintained HVAC equipment and tools, parts warehouse, and vehicles.

COMMUNITY INVOLVEMENT

CHILDREN'S MIRACLE NETWORK

Director of Operations | 3/2016 - 2/2018

Planned and executed student-led fundraising events for St. Luke's Children's Hospital. Coordinated with vendors and Boise State University staff to host events totaling over \$350,000.

ALPHA KAPPA LAMBDA - GAMMA THETA CHAPTER

President | 2018

Led fraternity members to ensure the longevity and success of the chapter. Facilitated community involvement, philanthropic activities, and an environment of support through "These Hands Don't Hurt" with the Women's and Children's Alliance.

Risk Management | 2015

Achieved safety for fraternity members through education and guidance of the chapter's Risk Management Policy.
