CERTIFICATE OF APPRECIATION

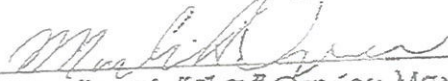

Honoring

Akintunde Adefolajuwon Okupe

Senior Civil Engineer

In recognition of your highly professional work in advancing and implementing citywide water metering, building water storage tanks, work on the surface water project, implementation of our utility SCADA communication system, innovative solutions to keeping our well water supply system functioning, and successfully obtaining several grants and low interest loans in the many millions of dollars to help keep water rates as low as possible. Thank you for your dedicated service to our community.
